

IT Support Engineer

At Amazon, we strive to be earth's most customer-centric company where people can find and discover anything they want to buy, online. We hire the world's brightest minds, offering them an environment where they can genuinely improve the experience for customers. Innovation and creativity are built into the DNA of the company and are encouraged at all levels of employment. Every day we solve complex technical and business problems with ingenuity and simplicity. We're making history and the good news is that we've only just begun.

Amazon has openings across Germany for IT support engineers in many of our Fulfillment Centres. Fulfillment Centres handle millions of items from tens of thousands of vendors and ship them across the globe each day: <https://blog.aboutamazon.co.uk/look-inside-an-amazon-fulfilment-centre-with-a-guided-video-tour?nlinkId=99217350>

IT support engineers work on implementing and ensuring the smooth operation of infrastructure. As the face of IT, with your team, you will offer our customers a first-class service.

In particular, I wanted to draw your attention to that fact that we are looking for new starters/graduates in Achim und Kobern-Gondorf (near Koblenz). Here is a condensed summary of qualifications but please also check the application links for further information:

BASIC QUALIFICATIONS

- Very good German and English skills
- Completed an IT apprenticeship, study or possess comparable knowledge and experience.

PREFERRED

- A valid driving license is also preferred
- Certificates such as Cisco (CCNA, CCNP), Microsoft (MCP, MCSE), Linux (LPIC-1, LPIC-2).

APPLICATION

Here is the link to apply to the open role in Kobern-Gondorf along with further information:
